End of the Year Program and Picnic

Life is good when we are all together!

Join us in the St. Luke's church sanctuary for our end of the year festivities and graduation ceremony. Bring a blanket and a picnic for lunch in the courtyard after the program.

Wednesday, May 12

11:30

Please drop off Tuesday/Thursday children at the school at 11:15!

Thank You, Saintly Parents!

This was our first year utilizing a parent organization and we are so grateful for the many volunteers who made the new venture a success. Everyone's name is listed in the School Directory. You helped us recycle, set tables, feed critters, cut, paste, hug . . . and so much more! Thank you kindly!

New Opportunity! If you would like to be a summer contact for a new family in your child's class, please let me know as soon as possible. We hope to provide a name from each class. It's a friendly way to offer some "insider" information if a new family would like to make the contact.

Farewell Meredith!

With sadness we bid a very fond farewell to Meredith Klein, Preschool Assistant for the past six years. Please stop by her desk and wish her well on her future endeavors.

We will miss you, Meredith!

September Tuition Due in May

Please drop off your child's September tuition in the payment bag by May 22. Tuition rates remain the same for 2010-2011 and are posted at the bag. **DID YOU KNOW?** Tuition payments may be set up automatically through your bank.
